

# BUILDING REGULATIONS COMPLIANCE

## This is a Building Regulations Compliance Certificate:

It confirms the work detailed below has been carried out by a Gas Safe registered business. It is also confirmation from the business that the work:

- was carried out in accordance with the Gas Safety (Installation and Use) Regulations, as well as all other relevant industry standards
- has been self certified as being compliant with Section 4 and 7 of the Building Regulations in England, Wales and Isle of Man.

It is a legal requirement for anyone carrying out gas work on your behalf to be Gas Safe registered, please remember to check your engineer's licence card before you have any gas work carried out.

Registered businesses can self certify that their work complies with building regulations requirements in England, Wales and Isle of Man. This assists you in complying with your obligation to notify your local authority building control as the property owner, and this certificate confirms this notification has been done for you.

Thank you for using a Gas Safe registered business. Gas Safe Register recommends that you have your gas appliances checked for safety annually.

Gas Safe Register has notified your local authority building control of the work detailed on this certificate. Gas Safe Register inspects the work of registered businesses to ensure safety and standards are maintained. Should your property be selected for inspection your co-operation in gaining access to inspect the work will be appreciated.

Please note that the contract for the work carried out is between yourself and the named business. Gas Safe Register can take no responsibility for the standard of work carried out. However, if you have any concerns regarding gas safety please contact your engineer.
